KIVANÇ KARADEMİR

Retail Channel Sales Manager | Key Account Management | Trade Marketing

İstanbul, Türkiye · +90 533 135 76 82 · alperen.kivanc@hotmail.com · linkedin.com/in/alperenkıvançkarademir · Personal website

PROFESSIONAL SUMMARY

I drive business growth that makes a real difference by combining an engineering mindset with strong interpersonal skills and emotional intelligence. Fueled by an entrepreneurial spirit, a focus on productivity and a passion for research, I approach the future as a new kind of professional: a digital-social engineer.

CORE COMPETENCIES

FMCG & Retail Sales	Key Account Management	Sales Targets & KPI Tracking	Trade Marketing & Promotions	Sales & Market Data Analysis
Budget Planning & Management	Channel Strategy & Retail Execution	Stakeholder Management	Project Management	Market Trends & Consumer Insights

PROFESSIONAL EXPERIENCE

Retail Channel Sales Manager — Türk Telekom

2024 – Present · İstanbul

- **40+ dealer accounts** — own sales targets and KPIs, running weekly productivity reviews with each dealer.
- **Daily sales data → action plans** — turn dealer data into KPI plans; led a Six Sigma (DMAIC) project approved for rollout.
- **+20% score target (39.3 → 47+ pts)** — led a turnaround for a region ranked 13/17 with segmentation and 30-day activation.
- **40+ outlets** — optimized visit routes through district clustering and set weekly visit frequencies.
- **Up to ₺60K/dealer** — manage incentive and promotion campaigns; launched the Cellularline accessory range network-wide.

Business Development Specialist — Penta Technology (Yıldız Holding)

2023 – 2024 · İstanbul

- **IBM Business Partner** — drove B2B sales of IBM software products and built reseller and corporate account relationships.

INTERNSHIPS & PROGRAMS

- **Technical Support Specialist Intern** — BP (Castrol) · analyzed Castrol's lubricant portfolio against competitors
- **Unlimited Talent Program (Sales & Marketing)** — Turkcell · designed an improved production tracking system
- **Digital Marketing Intern** — Vodafone · supported SEO and Google Ads campaigns
- **Production Planning Intern** — Kastamonu Entegre (Hayat Holding) · supported workflow optimization and quality control
- **Method Development Intern** — SAMPA Automotive · worked on material and machine optimization
- **My Future with L'Oréal** — L'Oréal · FMCG career development program

LEADERSHIP & ACHIEVEMENTS

- **1,000+ applicants** — led the Post-Pandemic Industry Project, engaging SpaceX, P&G, Bosch, Turkish Airlines and Turkcell.
- **1st locally · 3rd & 4th nationally** — VAY Case Study Competition (Yapı Kredi and Bosch cases).
- **President of the Board** — EMU Industrial Engineering Club.
- **Board Member and Head of Sponsorship & Finance** — Union of Industrial Engineering Societies of Türkiye.
